

BIG WIPES[®]

MULTI-SURFACE TECHNICAL DATA SHEET

DESCRIPTION

Super absorbent, antibacterial, multi-surface cleaning wipes, ideally suited for applications involving the removal of non-hazardous substances where they can be disposed of in the normal waste or composted with 'green' waste.

4x4 Formula

The unique biodegradable, water-based formulation of 4x power cleansers ensures the removal of paint, adhesives, oil, sealants, silicones, PU foam and general grime. Preservative-free and designed to meet tough EU Regulation 1223/2009 for Cosmetic Products, Big Wipes Multi-Surface wipes contain 4x skin conditioners - Aloe Vera, Lanolin, Vitamin E and Glycerine – all helping to nourish and protect the skin.

USAGE

Use without water for heavy duty cleaning of surfaces, hands, and tools. Ideal for tradespeople on the move. For best results, clean spills immediately.

FEATURES	BENEFITS
4x Power Cleansers	Removes paint, adhesives, silicone, epoxy, PU foam, oil, grease and more from hands, tools and surfaces. Save money and time by fixing accidents immediately and effectively.
4x Skin Conditioners	Aloe Vera: A natural healing plant, it soothes, moisturises and hydrates the skin. Glycerine: Mild, softening and moisturising, it allows for the absorption of the other conditioners. Lanolin: Highly emollient, it forms a protective film on the skin and moisturises dry, rough skin. Vitamin E: Anti-oxidant, helps maintain cell structure by protecting and repairing cell membranes.
All-natural viscose fabric with a "towel" like feel	Softness, intense saturation and exceptional absorbency. Cleaning liquid and clean up towel in one - no water required, totally portable & convenient.
Liquid and wipes are 100% biodegradable	Ideally suited for applications involving the removal of non-hazardous substances where they can be disposed of in the normal waste or composted with 'green' waste.
Antibacterial action	Tests show 99%+ effectiveness against MRSA, C.Dif., E-Coli 157, Weils (from rats), Salmonella, Staphylococcus and Listeria.
Biodegradable, preservative-free, low VOC, water-based formula	Zero levels of irritation recorded during controlled testing by dermatologists. Assessed to the latest EU Regulation 1223/2009 for Cosmetic Products. Kinder to the environment.
